Following the counting of the ballots, the oath of office was administered by the Town Clerk to Aaron Chadbourn as Selectman, Melvin Jenkins as Selectman and Lloyd Stevens as Road Agent. Mr. Nugent then declared the meeting was adjourned.

TOWN MEETING RECONVENED

MARCH 6, 1974

At 8:00 P.M. Deputy Moderator Nugent opened the meeting by reading the first 3 Articles of the Warrant, and announcing the results of Tuesday's balloting. He announced that Mr. Sackett was well, and in Florida on vacation. He pointed out several errors in the Town Report. He then read the balance of the Warrant.

Article 4: Mr. Jenkins moved that the sum of $121,189.00 be raised and appropriated for Town charges for the ensuing year as follows: Town Officers' Salaries, $7,860.00, Town Officers' Expenses, $2,900.00, Election and Registration, $750.00, Town Hall and Buildings, $2,500.00, Employees' Retirement and Social Security, $3,800.00, Town Reports, $1,200.00, Police Department, $33,599.00, Fire Department, $9,725.00, Building Inspector, $525.00, Insurance $3,000.00, Planning and Zoning, $800.00, Dog Damages, (including Salary) $650.00, Legal Expenses, $500.00, Health, $130.00, Dump, $2,500.00, Highway Department, $21,000.00, Library, $3,000.00, Recreation, $300.00, Cemetery, $200.00, Conservation Commission, $50.00, County Tax, $24,200.-00, Interest on Temporary Loans, $2,000.00, for a Total of $121,189.00 Seconded by Mr. Wellington, Mr. Burke moved to amend the article so that the Police Department budget be reduced by $6,711.50, (from $33,599.50 to $26,888.00). Seconded by Mr. McLean. Mr. St. Jean moved to amend the amendment to read: to cut the police budget by $16,000.00, making it $17,599.50. Seconded by Mr. Keniston. An extremely lengthy and lively question

and answer discussion followed, in which a great many were heard (some in favor of and some not), discussing in great detail the needs, costs, etc. of the Police Department. Mr. Jenkins reminded the Town that in 1972 we voted for a full time Police Officer under Article 9, and if we wanted to keep a full time Police Department it must be funded. How much we wished to spend was up to the Town to decide. Mr. Tandy moved the question. Seconded by Betsy Booth this was not carried. Another lengthy discussion ensued. Mr. Van Osdoll moved the question, seconded by Mr. Tandy, Mr. Boyd asked for a show of hands. The motion to move the question was carried, and petition for a written ballot was withdrawn. On a show of hands, the amended amendment was defeated, Yes, 100, No, 117. Mr. Shea moved to amend that $8,500.00 be allocated for salary for the Police Chief. It was brought out that this was less than his present salary of $8,824.00. Mr. Shea corrected his amendment to keep the salary of the Chief at $8,824.00. Seconded by David Shea. Mr. Dennis thought we should raise the salary by 10%, and Mr. Shea withdrew his amendment. Mr. Dennis moved to amend that the Chief's salary be increased by 10% over last year. Seconded by Mr. Shea. Mr. Keniston suggested the Chief should receive a salary of $10,000.00 and a total budget of $20,000.00 Mr. Dennis withdrew his amendment, and Mr. Keniston moved to amend that the Chief's salary be established at $10,000.00 a year and his total budget be $20,000.00. Seconded by Mr. Heywood. After more discussion, the move to amend the Police Budget was carried. The amended motion to raise and appropriate the sum of $107,590.00 for Town Charges was voted upon and carried.

Article 5. Mr. Wellington moved that the sum of $10,000.00 be raised and appropriated to be deposited with the Trustees of the Trust Funds as a Capital Reserve for equipment for the Lee Fire Department. Seconded by Harold Ward, and with little discussion, this motion was carried.

Article 6. Mr. Heywood moved that Article 20 be taken up at this time. Seconded by Mr. Shea. Mr. Dodge wished Article 24 also brought forward to take the sense of the Town regarding the Refinery Issue. Seconded by Mr. St. Jean, this was not allowed. The move to take Article 20 out of order was carried.

Article 20. Mr. Hatch moved that the Selectmen be authorized to borrow $75,000.00 using serial notes to build a new fire station on Town land located between the dump road and land of William Allen. Seconded by Mr. True. Mr. Jenkins informed the Town there were actually two items to be decided upon. First, the Selectmen must be authorized to borrow the money, and second, the Town must give permission to the Fire Department to build on Town Land. There was discussion on how this would effect our tax rate, the insurance rates, Recognized Department vs. Rural Departments, etc. Mr. Keniston moved to amend that we split Article 20 so that it becomes Article 20A and Article 20B. 20A: to see if the Town wishes to locate any new Fire House on the land located between the Dump Road and land owned by William Allen. 20B: to see if the Town will authorize the Selectmen to borrow $75,000.00 using serial notes to build a new fire station. Seconded by Mr. True. Another long discussion with questions and answers on why this site was selected, how the new fire station would be positioned, would that land support the new Zoning Regulations, and how much of this piece of Town land should be granted. Mr. McLean moved the question. The move to amend was carried. The amended motion on Article 20A; to see if the Town wishes to locate any new fire house on land located between the Dump Road and the Allen property was brought to a vote and carried. (A prior petition for a written ballot was withdrawn as regards Section 20A.) Article 20B. The discussion on this was lively and lengthy. How much the interest would be on this amount of money, whether to build now or in the future with escalating costs, how valuable and necessary the Fire Department is to the

Town, can the proposed building be built with this amount of money, contract bidding, etc. Mr. Granger spoke to the article, explaining the thorough groundwork of the Fire Department as regards designs and construction materials which meet State standards for public buildings; if contracted as a package this building would cost $120,000.00, but if sub-contracted it can be done now for $75,000.00. After more discussion Mr. St. Jean moved to table article 20B. Seconded by several voices, the motion was defeated on a show of hands, yes, 70, no, 147. Mr. Bliss moved the question and Mr. Dodge seconded. The motion to authorize the Selectmen to borrow $75,000.00 was voted upon by ballot, and would require a two-thirds vote to pass. 237 ballots were cast, (158 being the necessary two-thirds), the results were yes, 132, no, 105, and Article 20B was defeated.

Due to the lateness of the hour, the Deputy Moderator asked the general feeling of the Town as regards adjourning until Thursday evening, providing the school would be available. After determining that it would, Mr. Cathcart moved that the meeting be recessed until 8:00 P.M. Thursday evening, March 7, 1974 in the Mast Way School to take up the balance of the Warrant. Seconded by Mr. Keegan, on a show of hands this motion was carried.

TOWN MEET RECONVENED

MARCH 7, 1974

Mr. Nugent opened the recessed meeting at 8:00 P.M. by reading Article 6. Mr. Jenkins moved to see if the Town would vote to bring Article 7 forward to be acted upon prior to Article 6. Seconded by Mr. Wellington, the motion was carried.

Article 7. Mr. Weyrick moved that the Town of Lee endorse the concept embodied in the cooperative solid waste recycling proposal for the University of New

Hampshire and surrounding towns, and that the Selectmen be encouraged to cooperate in the development of specific plans and proposals for future Town approval. Seconded by Mrs. Booth. In discussion, Mr. Weyrick spoke at length on the problem, and the work under way at the University in the collection and recycling of waste paper. They are inviting surrounding towns in a cooperative joint venture of marketing and sales of reusable material. UNH has applied for matching State Funds. Cooperating Towns would be expected to share in the expenses, and will also share in any profits from sales. Mrs. Adams spoke on home separation as adopted by Nottingham. Mr. Bishop spoke about a study made, and of Durham's incinerator being under-supplied with disposable waste thereby being more costly to operate. Mr. Chadbourn spoke of the shortages in our society, and encouraged recycling rather than destruction of materials. The motion was carried.

Article 6. Mr. Wellington moved that the Town vote to raise and appropriate the sum of $10,000.00 to be deposited with the Trustees of Trust Funds as Capital Reserve for meeting expenses attendant to the State Law banning open dump burning. Seconded by Mr. Hurley. Discussion on the motion showed there is presently $26,338.32 in this fund. Tentatively some of this money would be used for a building located at our own dump site as a collection and separation center, then recyclable materials transported to the Durham facility. Our own dump would still be maintained for all other wastes. Mr. Jenkins said there would be a definite Attorney General's opinion next year, with a definite proposal for spending these funds. The motion was carried.

Article 8. Mr. Jenkins moved that the Town vote to raise and appropriate the sum of $613.80 for construction of Class V Highways under the provisions of TRA so-called. The state will contribute the sum of $4,092.02. Seconded by Mr. Shea, the motion was carried.

Article 9. Mr. Chadbourn moved that the Town vote to join the Strafford-Rockingham Regional Planning Council and authorize the Town's representation to the Strafford Regional Planning Commission to act as delegates to that Council. Seconded by Mr. Jenkins. Mr. Chadbourn spoke to the article and answered many questions during the discussion. By Executive order, the original 17 regional groups were reformed into six regional groups, or the Sub-State Six, so called. Strafford Regional Planning Commission became a part of the Strafford-Rockingham Regional Planning Council, and in order for Lee's representative to the former to become a legal delegate to the latter, approval must be voted by the Town. Mr. Shea moved to amend this to read: "that our representation would not bind the Town or Planning Board in any way." Seconded by Mr. Tandy, this amendment was defeated. The original motion was carried.

Article 10. Mr. Jenkins moved to raise and appropriate the sum of $50.00 to help support the New Hampshire Seacoast Regional Development Association. Seconded by Mr. Wellington. Discussion showed Mrs. Clark as being on the Board of Directors as our representative. This is a promotional organization, advertising recreational areas, camping areas, hotels and motels, beaches, etc. After an indecisive voice vote, the floor called for a show of hands. Yes, 80, no, 46, the motion was carried.

Article 11. Mr. Wellington moved that the Town vote the sum of $3,116.54 for equipping the addition to the Town of Lee Library, such funds to be taken from unexpended balances from special appropriations as follows: dump, $644.28, reappraisal of property, $1,362.29, radar, $187.10, Town forest, $50.00, Strafford Guidance Association, $710.00, forest fires, $162.87, making a total of $3,116.54. Seconded by Mrs. Booth. Mrs. Hatch spoke to the article, explaining the needs of this additional money. Last year's appropriation came from Revenue Sharing funds, and in May the Selectmen were notified

that any contract in excess of $2,000.00, or if more than 25% of a total project used Revenue Sharing funds, labor must be paid on a Federal wage scale. All contractors withdrew their bidding when so notified. Sub-contracts have since been awarded in amounts of $2,000.00 or less to build the addition, but now due to increased costs of building materials there will be nothing left over for shelving, paint and carpeting. The motion was carried.

Article 12. Mr. Scott moved that the Town vote to raise and appropriate the sum of $1,500.00 to erect a fence and to complete painting and sealing of the tennis court-skating facility at the Town Park. Seconded by Mr. Shea. There was a lively discussion on this article. The need of a fence, paint and sealing, interference with the ball park and more. Mr. St. Jean moved to amend that $300.00 be raised to seal the facility, and investigate the need of a fence. Seconded by Mr. Federer, the move to amend was lost. The original motion was voted upon, the chair was in doubt with the voice vote and called for a show of hands. Yes, 78, no, 44, the motion was carried.

Article 13. Mr. Ouellette moved that this article be accepted as read. Seconded by Mr. Jenkins, there was very little discussion. The move to elect the following Town officials for the following terms, in order to stagger their terms of office, commencing at the Town Elections of 1975: Tax Collector, 1 year; Treasurer, 2 years; Town Clerk, 3 years; provided that in all subsequent elections each of these officers will be elected for a term of 3 years was carried.

Article 14. Mr. Hurley moved that the Town vote to raise and appropriate the sum of $900.00 to defray the Town's share of the cost of the Oyster River Youth Association. Seconded by Mr. Weyrick. During the long discussion, Mr. Jennings spoke to the article, explaining its needs and answering many questions. He mentioned that Madbury had voted $400.00 as their share. The motion was carried.

Article 15. Mr. Jenkins moved that the Town vote to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for the following: Town Hall (insulation, windows and stairs) $2,990.29; Capital Reserve for the Fire Department (specifically towards an approved fire truck), $10,000.00. Total, $12,990.29. Seconded by Mr. Wellington. Mr. Jenkins spoke to the article, explaining the need of repairs to the Town Hall to help reduce heating costs. Revenue Sharing funds must be specifically allocated towards a definite purpose when placed in Capital Reserve; in this instance $10,000.00 for a fire truck. He hoped the new census being compiled would UP our share of Revenue Sharing. Mr. Shea moved to amend: that all of the money in Capital Reserve for the Fire Department (this $10,000.00, the $10,000.00 voted Wednesday evening, and all prior appropriations) be allocated towards the purchase of a fire truck. This was not seconded, and Mr. Shea withdrew his motion. The original motion was carried.

Mr. Booth moved that we take up Article 20B for reconsideration. Seconded by several voices. After consideration, the Chair ruled against the motion and stated his reasons. Mr. Burke challenged the Chair, and asked for a vote on the motion. The vote to support the Chair's ruling was in the affirmative.

Article 16. Mr. Keniston moved that the Town vote to raise and appropriate the sum of $1,100.00 for the Durham Ambulance Corps. Seconded by Mr. Heywood. This motion was carried.

Article 17. Mrs. Booth moved that the Town vote to raise and appropriate the sum of $750.00 for the Oyster River Home Health Association. Seconded by Mr. Heywood, the motion was carried.

Article 18. Mr. Chadbourn moved that the Town vote to raise and appropriate the sum of $950.00 for the Strafford Regional Planning Association. Seconded by Mr. Jenkins. In answer to questions, Mr. Chadbourn explained we are members of the Strafford County Regional Planning Association, and it in turn is a member of the Strafford-Rockingham Sub-State Six. Any money appropriated under this article will be spent by the Strafford Regional, not the Sub-State Six. The motion was carried.

Article 19. Mr. Wellington moved that the Town vote to close the short-cut from Demerrit Avenue to Cartland Road at 'Tater Bug Corner.' Seconded by Mrs. St. Jean. Lively discussion on this article explored the meaning of "subject to gates and bars." Mrs. Barney moved to amend the motion to add: subject to gates and bars. Seconded by Mr. Booth, the move to amend was defeated. The original motion was carried.

Article 20. (See March 6, 1974)

Article 21. Mr. Chadbourn moved that the Town vote to authorize the Selectmen to sell property acquired from tax sales. Seconded by Mr. Wellington, the motion was carried.

Article 22. Mr. Jenkins moved that the Town vote to authorize the Selectmen to apply for, contract for and accept aid relative to disasters from the Federal Disaster Assistance Administration. Seconded by Mr. Heywood, the motion was carried.

Article 23. Mr. Wellington moved that the Town vote to authorize the Selectmen to hire money in anticipation of taxes. Seconded by Mr. Shea, the motion was carried.

Article 24. Mr. Jenkins stated there had been many requests Wednesday evening to take the sense of the Town regarding the Refinery Issue. Since the decision had been reached by the Town of Durham, instead of doing that he wished to quote from a letter addressed to Governor Meldrim Thomson, written by the Selectmen of Lee and dated March 6, 1974, in which they expressed their concern at obvious attempts to influence the people of the State, and circumvent Home Rule. They felt the townspeople of Durham should decide their own destiny without undue exterior pressure from the Governor's office or anyone else.

At the request of several residents of the Town, Mr. Jenkins moved to take the sense of the Town regarding the adoption of the Municipal Budget Law and to appoint a Budget Committee. If so desired, the Selectmen would put an article on the ballot to be voted upon at the next Annual Town Meeting. Seconded by Mr. Wellington. During discussion Mr. Jenkins spoke to the motion and answered questions. If adopted by a ballot vote, the Moderator has the option to appoint a 3, 5, or 12 member Budget Committee which would function as a unit, responsible to the townspeople and to the Selectmen. Each department head must respond to this Committee upon call. The Budget Committee would come before you with a proposed budget which may not be raised more than 10% of a prior year, but which may be reduced. The motion to put an Article on the 1975 Ballot, to see if the Town wishes to adopt the Municipal Budget Law was carried.

Mr. Bruns moved that the Town of Lee endorse the letter of March 6th written to his Excellency Governor Meldrim Thomson supporting Home Rule and include it in the official record of the Town. Seconded by Mrs. Booth, the motion was carried.

No other business coming forward at this time, Mr. St. Jean moved to adjourn. Seconded by many voices, motion to adjourn was carried.

SPECIAL TOWN MEETING

JULY 30, 1974

At 7:30 P.M. Moderator Everett Sackett opened the meeting by reading the Warrant.

Article 1. Roger Comeau moved that the Town vote to have the Trustees of the Trust Funds withdraw funds allocated for the Fire Department from the Capital Reserve and allow the Selectmen to expend such for the purchase of a new Fire Truck. ($14,000.00 plus interest from Capital Reserve, $10,000.00 from 1974 Appropriation and $10,000.00 from Revenue Sharing Funds.) Seconded by Mr. True. Mr. Hull asked if they had any specifications to present to the meeting. Mr. Main said they did not at present, but they wanted to buy a new fire truck before the costs go up any higher. The truck they were considering was brand new, could be purchased for $34,000.00 and would fit in the existing fire house. Mr. Hull stated at present there was $14,544.08 (including interest) in the Trust Funds for the Fire Department. Where would the additional $20,000.00 come from? Mr. Wellington explained that under Article 5 of the March 1974 meeting, $10,000.00 was voted for the Fire Department as a Capital Reserve, and under Article 15, another $10,000.00 from Revenue Sharing (specifically towards an approved fire truck). Mr. Hatch spoke to the article. The motion to have the Trustees withdraw funds from Capital Reserve towards the purchase of a new fire truck, and that the Selectmen be authorized to expend same was carried.

Article 2. Mr. True moved that the Town vote to authorize the Selectmen to receive bids on the Fire Truck as per bid specifications located in the Selectmen's Office and the Office of the Town Secretary, not to exceed the sum of thirty-four thousand ($34,000.00) dollars. Seconded by Mrs. Main. Mr. Hatch moved to amend the motion by adding: "If less than three qualified bids are

received all bids must be rejected." Seconded by Mrs. Hatch. In answer to Mr. Jenkins' inquiry as to what constitutes a qualified bid, Mr. Hatch stated any bid which meets all the specifications. Mr. Hatch thought September 1st was too soon to expect delivery of a new truck; 12 to 18 months was soon enough to meet the needs of the Town, and would allow competitive bidding. Mr. Jenkins spoke of a truck that is available right now. Right size, price, etc. Mr. Durgin was concerned whether this new truck was going to fit in the existing fire house, or was this an excuse for building a new fire house to fit it. Mr. Comeau assured him it would fit. Mr. Hatch felt that custom built trucks may be the same price as the one they presently have in mind, and with a signed contract the price would have to remain as agreed upon regardless of when it was delivered. Mrs. Burke felt it would be foolish to wait if we can get this one now, and at this price. The move to amend was brought to a vote and rejected. Mr. Hull asked if the specifications would include the September 1st delivery date. Mr. Jenkins assured him it would not. The original article was voted upon and carried.

Mr. Burke moved that the meeting adjourn. Seconded, it was so declared.

TOWN OF LEE

STATE OF NEW HAMPSHIRE

TOWN WARRANT

To the citizens of the Town of Lee, County of Strafford (S.S.), State of New Hampshire, qualified to vote in Town Affairs:

You are hereby notified to meet at the Lee Town Hall on Tuesday the fourth day of March, 1975 to act on the following subjects:

(Polls will be open from 10:00 a.m. to 7:00 p.m.)

1. To choose all necessary Town Officers for the ensuing year.

2. To see if the Town will vote the changes in the Zoning Ordinances and Building Code Regulations as proposed by the Lee Planning Board.

3. To see if the Town will vote to empower the Planning Board under RSA 36:19a.

Articles 4 through 27 will be taken up at the Mastway School on Wednesday, the fifth day of March 1975 at 7:30 p.m. in the evening.

4. To see if the Town will vote to raise and appropriate such sums of money as may be necessary to defray the Town charges for the ensuing year for General Government including: Town Officers' salaries and expenses, election and registration, town buildings; for health, vital statistics, Building Inspector's expenses, Public Library, employees retirement and social security, insurance, Planning and Zoning, town reports, recreation,

interest on temporary loans, cemeteries, dog damages, legal expenses, town poor, the aged, Conservation Commission, Police Department, Fire Department, Highway Department, Town dump and County Tax.

5. To see what sum of money the Town will vote to raise and appropriate for the hiring of another full time man for the Police Department.

6. To see what sum of money the Town will vote to raise and appropriate for the purchase of a new cruiser for the Police Department.

7. To see what sum of money the Town will vote to raise and appropriate for the construction of a new fire station.

8. To see what sum of money the Town will vote to raise and appropriate for Capital Reserve, to be deposited with Trustees of Trust Funds, for a Fire Department Building Fund.

9. To see if the Town will vote to raise and appropriate the sum of five thousand ($5,000.00) dollars, to be deposited with Trustees of Trust Funds as Capital Reserve for fire department equipment.

REPORT OF THE LEE POLICE DEPARTMENT

The method of reporting crime was changed in 1974 due to a new criminal code taking effect on November 1, 1973. Prior to November 1, 1973 there were two types of crime, felonies and misdemeanors. Under the new code there are now three types of crime; felonies, misdemeanors and violations. Many crimes that have been listed as misdemeanors in years past are now violations of the code.

The Department, from January 1 to December 31, covered the following complaints:

1. Felony Complaints	49
2. Misdemeanor Complaints	99
3. Motor Vehicle Summons	399
4. Unclassified complaints	301
5. Aid rendered	2,135
6. Motor Vehicle warnings	903
7. Defective equipment tags	291
8. Business checks	2,115
9. House checks	219
10. Physical Arrests	49
11. Accidents	64
a. Injury	21
b. Non-injury	43
12. Phone calls through Dispatch	2,067
Radio transmissions through Dispatch	10,213

During the year 1974 the number of motor vehicle accidents reported sharply decreased. This is due in part to the change in the law increasing the property damage from $150 to $300 before the operators are required to report the accident. It is also believed that the "energy crisis" helped reduce the number of motor vehicles on the road, thus reducing the number of motor vehicle accidents.

A total of $12,199.62 in property, currency and notes was reported stolen in Lee during 1974. $6,095.56 of that

property was recovered by the Police Department, a rate of slightly over 49%

On October 1, 1974, the Rockingham-Strafford Manpower Administration agreed to fund a second full-time police officer for the Town through the Public Employment Program. The cost to the Town is the man's uniform and increased mileage. Manpower paid salary and benefits. The program is funded through to March 31, 1975. J. Phillip Stetson was hired to fill the position. This position has increased the coverage of the town, the number of motor vehicle summonses and increased the amount of recovered property. When the funds were allocated by Manpower we agreed to ask the Town to continue the program in 1975. It is my sincere hope that the Town does it.

The Youth Group Program has been a success and we are hoping to continue with this program.

The year 1974 has been a challenging and provocative year, and we hope 1975 will be the same.

REPORT OF THE FIRE CHIEF

This past year has been somewhat of a quiet one compared to past years. We had a total of 25 calls. They were as follows:

Structural	1	Mutual Aid	7
Auto Accidents	6	Miscellaneous	6
Grass & Brush	4	Chimney	1

Loss to Buildings — $125.00 Loss to Contents — 0
Loss to mobilehomes, autos, recreational vehicles — 0

Many thanks to everyone who has contributed to our effort to reduce the fire loss in Lee.

The Department has gained a lot of new equipment this past year. As you know the biggest thing is the new "Bean" truck. Also, manpower has picked up over the past year.

New equipment purchased or on order includes: 800 feet of 2½" hose; 300 feet of 1½" hose; one 40 foot extension ladder and several small hand tools and fittings.

Now that we have a big pumper, I know you are interested in a decrease in insurance rates. Here is a quote from a letter I have received from the Insurance Service Office of New Hampshire.

"On December 18, 1974 our representative made an inspection of the Fire Department facilities in the Town of Lee. Through this information, we can now consider the Lee Fire Department as 'available.' This will become effective in the near future."

This isn't a definite answer to when we will get a decrease in insurance rates.

REPORT OF THE FOREST FIRE WARDEN AND DISTRICT CHIEF

All open burning when the ground is not covered with snow is controlled by the Town Forest Fire Warden in cooperation with the New Hampshire Forest Fire Service. Anyone wishing to kindle a fire out-of-doors when the ground is not covered with snow must have a written permit signed by the Town Forest Fire Warden. If the fire is to be kindled on land not owned by the person kindling the fire then he must have the permission of the landowner. No outdoor fires can be kindled between 9 a.m. and 5 p.m. unless it is raining, without the additional approval of the District Forest Fire Chief.

The 1974 forest fire season was one of the worst in the past two decades. Woodlands in central and southern New Hampshire became so dry in mid-August that the Governor and Council, upon the recommendation of the State Forester, enacted a partial woodlands closure in Sullivan, Cheshire, Hillsborough, Merrimack and Belknap Counties and a complete woodlands closure in Strafford and Rockingham Counties plus the Towns of Barnstead, Gilmanton and Alton in Belknap County. Through the excellent cooperation of the citizens of our State no major forest fire occurred at any time during the year.

REPORT OF THE LIBRARIAN

The total circulation for 1974 was 6,063 books, 37 magazines, 16 records, and 49 films. We had 1,089 adult and 797 children borrowers. We borrowed from the Bookmobile, during three visits or by mail requests, 950 adult fiction, 1,184 adult non-fiction and 2,195 children's non-fiction and fiction. By patron request, we borrowed 67 books from the New Hampshire State Library or Inter-Library loan. We purchased 235 books and had many books donated. We subscribe to 12 magazines. These magazines and jigsaw puzzles can be borrowed the same as books.

In the Spring, Story Hours were held for pre-schoolers. In July and August we had six Story Hours for children age 5 through 5th grade. We sponsored weekly film programs for children at Mastway School.

I took my last course in the Public Library Technique classes and now have my certificate.

We wish to thank all donors of books, magazines, jigsaw puzzles or money.

REPORT OF THE LEE LIBRARY TRUSTEES

After a year's delay in construction due to federal funding problems, the addition to the library has been finished and furnished. Four hundred linear feet of standard library shelving have gone far toward improving our space problems. Even now, though, we can foresee the need for additional shelving. This request will appear in next year's budget as a capital expense item.

The installation of wall-to-wall carpeting has made the library warmer, quieter, easier to maintain and most attractive.

An enthusiastic volunteer crew painted the entire addition (interior) as well as the walls in the old part. We are most grateful to all of them for a superb job at a great saving.

PLANNING BOARD REPORT 1974

The Planning Board held 26 meetings during the past year. The board held 7 public hearings on 5 proposed subdivisions involving approximately 503 acres with 1 new commercial building and one new residential unit resulting.

Eight field trips were taken by various members of the Board to inspect site locations for proposed subdivisions.

Two land transfers involving 13 acres were approved by the Planning Board.

This year the Board spent a great deal of time researching, discussing and writing new subdivision regulations that will be presented at public hearings in 1975.

Meetings were held with other boards and commissions in Town in the interest of better communications and understanding between groups.

A group of University of N.H. Majors in Environmental Conservation have been working on projects involving road classification, a shoreline study and a classification of size, number and condition of gravel pits in Lee. These students are performing valuable work for the Town by providing information that will be available to all groups in town.

The Planning Board welcomes help and suggestions from people interested in the Town's progress and direction.

LEE PLANNING BOARD

REPORT OF THE BUILDING INSPECTOR

A total of 58 building permits were issued during 1974. Of these 11 were for new houses; 10 for additions; 7 garages; 6 barns and the rest for various remodeling. There was one for a new Commercial building.

ROBERT M. LIBBY

REPORT OF THE CONSERVATION COMMISSION

A new foot trail has been flagged through the town's forest. Located in the area of forest surrounding the dump, the trail has been laid out by Tony Fedderher and is approximately 1½ miles long. The dump is located in one small corner of the forest and is never seen from the trail. The first half mile has been cut and is ready for walking or snowshoeing by the townspeople. The trail starts to the right of the dump gate and when finished will end at the left side of the gate. It offers a variety of interest including ledge outcrops, small ponds, wildflowers, hemlock stands, birdlife and even a poison ivy patch, around which we hope to detour.

The commission has been negotiating with the Bureau of Outdoor Recreation and Walter Cheney for a piece of land near the center of town which would be an ideal spot for townspeople to use for picnics and fishing, etc.

We again gave a half scholarship for a Lee teacher to attend a Conservation Course last summer.

REPORT OF THE LEE RECREATION COMMISSION FOR 1974

In spite of 1974's lengthy two-night Town Meeting, voters were kind enough to approve an article requesting $1,500 to complete work on the tennis court. As a result, we were able to finish our painting and to have fences erected at each end of the court. Judging from the number of children and adults who made use of the court during the summer, we would have to say that this was a great success.

Voters also approved a request for $900 to help support the O.R.Y.A. Many Lee children participate in O.R.Y.A. activities and it was thought that the Association deserved some financial assistance.

With the help of the Little League, we will, as usual, continue to maintain and to improve the ball field. We also hope to repair and/or replace benches and tables at the Town Park.

For the second year, the Living Creche was located at the Park during the Christmas Season. For those who would have preferred it back on the Common, we can only say that traffic safety is the determining factor.

Thanks to our "sub-tropical" winters of the past two seasons, skating at the court hasn't been very successful. As usual, we are always at the mercy of the weather; although in some previous winters we have had some excellent skating.

We hope that Lee can continue to expand its recreational facilities as the Town grows.
